

**FIRST SEMESTER 2019-2020**  
**Course Handout Part II**

01-08-2019

In addition to Part-I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

*Course No.* : HSS F228  
*Course Title* : Phonetics and Spoken English  
*Instructor-in-charge* : Pranesh Bhargava

**Scope and Objective of the course:**

In this course, the students will be introduced to the basic concepts of English phonetics. The projected outcomes of the course are better oral communication skills in the form of improved pronunciation of English and better listening skills in the form of enhanced comprehension of spoken English. Special focus shall be on the three important aspects of pronunciation: stress, rhythm, and intonation.
