

**FIRST SEMESTER 2022-2023**

Course Handout Part II

Date: 29.08.2022

In addition to part-I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No. : HSS F235  
Course Title : Introductory Philosophy  
Instructor-in-Charge : A. K. Jayesh

**Scope and Objective of the Course:**

The course aims to provide a critical introduction to some of the theories and issues that are central to the Western and Indian philosophical traditions. A few of the topics around which the course is structured include (1) the nature and purpose of philosophy, (2) metaphysics and epistemology, (3) skepticism and its philosophical value, (4) theories of cosmology, and (5) problems in contemporary philosophy. The course aims to inculcate in students the ability to determine the nature and worth of any philosophical position, and in the process, introduces them to the rigors and requirements of philosophical thinking.

**Textbook:**
