SECOND SEMESTER 2018-2019

COURSE HANDOUT (PART II)

Date: 07/01/2019

In addition to Part I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No : CS F376 / CS F 377

Course Title : Design Project (CSIS)

Instructor-in-charge : Mr. Surender Singh Samant

1. Scope and Objective of the Course:

It aims at developing the skills for operating, maintaining and developing software in innovative areas and R & D activities of the Institute. As a part of education, this project course follows a method of learning and therefore, the student's actual day-to-day task involvement would constitute the central thread of the learning process. The evaluation will recognize this aspect by demanding day-to-day productivity and punctuality of the student.

2. Plan of Work:

The plan of work for each student will be decided by the respective instructors. Each student should adhere to the plan of work decided for and should regularly monitor the progress of the project accordingly.

5. **Grading Procedure:**

In addition to what is mentioned in Part I of the handout, the grading will be done mainly on the basis of the progress made towards attainment of the project objectives and will recognize that each Instructor has given specific task situation in which the student participates in a cognitive manner. Thus each Instructor will recommend a grade for his student for the consideration of the Instructor-in-charge. In a specialized course of this nature the respective Instructor's assessment of the student vis-a-vis the objective of the project would be the central criteria for arriving at final grade.

6. **General:**

It is the student's responsibility to ensure:

- Continuous interaction with the Instructor.
- Work to the satisfaction of the Instructor.
- Adherence to plan of work.
- Evaluation(s) to be completed by the due date and evaluation marks are communicated to the Instructor-in-charge by due date.
