

FIRST SEMESTER 2023-2024
Course Handout (Part II)

Date: 11/08/2023

In addition to Part I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No : MATH F266
Course Title : Study Project
Instructor-in-charge : Sabyasachi Dey

1. Scope and Objective of the course:

The course is specially designed to provide an opportunity to the students for the development of their academic skills and logical thinking through open-ended study-oriented activities. As a part of education, this project course follows a method of learning and therefore, the student's actual day-to-day task involvement would constitute the central thread of the learning process. The students equip themselves with the knowledge by going through relevant latest literature concerned with the project topic. The students also learn ways of reading journal papers, hone their writing skills, and expose to advanced topics in the field of their research. The evaluation will recognize this aspect by demanding day-to-day productivity and punctuality of the student.

2. Plan of Work:

The plan of work for each student will be decided by the respective Instructors. Each student should adhere to the plan of work decided for and should regularly monitor the progress of the project accordingly.
